"Animal Lovers League is very grateful to PLF for their continuous support towards our efforts to provide for the many animals that we rescue and house. The annual donation provides much relief on our limited resources and enables us to focus on other aspects of animal welfare."

Fiona Ng, volunteer of ALL

"We thank PLF for the continued support of cat shelters and feeders with their annual food donation drive. Shelters and feeders are pillars in successful and effective cat management in ensuring that the population is responsibly managed through sterilisation, responsible feeding as well as rehoming. Donations help alleviate much of the shelters and feeders cost in caring for cats"

Veron of Cat Welfare Society

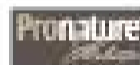

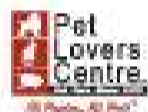

"A big thank you to Pet Lovers Foundation for running this annual food donation drive. This is the first time SOSD is participating in this campaign and we really glad to be part of this meaningful event! We hope to do this again next year!"

## Pet Lovers Foundation Celebrates the Season of Giving Through Its Sixth Dry Food Donation Drive

It's Christmas season once again and to commemorate the season of giving, Pet Lovers Foundation is choosing to share the love and joy with its animal friends through its sixth Dry Food Donation Drive on 13 December 2013. All dry food collected from the drive will be donated to animal welfare organisations, Animal Lovers League (ALL), Cat Welfare Society (CWS) and Save Our Street Dogs (SOSD).

The dry food donation drive has been a yearly practice since Pet Lovers Foundation started carrying it out in 2008. Originally, it was only meant to help stray and abandoned dogs but since 2011, cats have been included as well. The drive has become a tradition which Pet Lovers Foundation celebrates yearly to commemorate the Christmas festivities in order to bring love, compassion and care to its animal friends.

The drives have been a success particularly last year's wherein an impressive number of donors brought the total collection number to 11,908.36 kg (worth \$180,497.50). This year, we are aiming to exceed last year's collection. Our goal is to raise 12,000 kg of dry food and in order to achieve this, we invite you to join us in this effort. Not only will you be giving love and joy to our animal friends, but you will also be a part of another milestone in our tradition of caring for these underprivileged pets.

Make that meaningful purchase of highly subsidised dry food and donate to our stray and abandoned animals now. Kindly lend a hand to these animal friends by walking into any Pet Lovers Centre stores and buying the sponsored Fish4Dogs, 1st Choice or Pronature dry food, or by simply calling 1800- PETFOOD (1800-7383663). Surely, our furry friends will feel the love and joy of the Christmas season in this two-week long event!
