Pet Lovers Foundation Commemorates the Yuletide Season Through Its Seventh Annual Food Donation Drive

It's the season of giving once again and to celebrate it, Pet Lovers Foundation will be sharing the love and joy with its animal friends through its seventh Annual Food Donation Drive for the whole month of December. Pet food that will be gathered from the drive will be donated to animal welfare organisations, Animal Lovers League (ALL), Cat Welfare Society (CWS) and Causes for Animals Singapore (CAS).

Pet Lovers Foundation started carrying out the pet food donation drive in 2008 and it has been a yearly practice since then. At first, its aim was to help only stray and abandoned dogs but since 2012, cats have been included in the drive too. The drive has become a yearly tradition for Pet Lovers Foundation to commemorate the Christmas season to show love, care and compassion to its animal friends.

The drives have been successful especially last year's wherein a remarkable number of donors brought the total collection number to 19,233.30 kg (worth \$383,566.42). This year, our goal is to exceed last year's collection. We are aiming to raise 25,000 kg of pet food and for us to reach this goal, do join us in this effort and be a part of another milestone in our tradition of caring for these underprivileged animals.

Donate to our stray and abandoned animals now by making that meaningful purchase of highly subsidized pet food. Please lend a helping hand to these animal friends by going to any Pet Lovers Centre store to purchase sponsored Fish4Dogs, Fish4Cats or 1st Choice or Sunday Pets pet food, or by simply calling 1800-PETFOOD (1800 738 3663). This year, animal welfare groups get to choose from dog and cat food in multiple flavours to cater to the needs of the animals under their care. Your participation in this month-long event will certainly make a lot of our furry friends feel the love and joy this Christmas season!
