GlobalPETS Forum Asia 2018: Global Pet Business in a Nutshell

Theme

Latest pet business trends worldwide, how retailers perceive these trends and how this is set to global impact sourcing.

What is in it for you?

- Understand the fast changing global pet industry, benefit from it!
- Learn how major international pet retailers perceive trends
- Get insights how global sourcing is changing.
- Meet business partners from all over the world
- Combine with the CIPS trade show.

International speakers

Speakers from inside and outside the pet industry will share their insights and hand you practical tips and tools that will help and inspire you to improve your business:

Networking opportunities

We offer many opportunities to network with business partners and leading decision-makers in the pet industry. Join our social evening and get a head start to the CIPS trade show.

Retail

GlobalPETS Forum Asia enables you to meet leading global retailers and discuss the main developments. Dave Bolen will present the latest insights and lead a panel discussion.
