

# The nutritional power of cranberries!

Cranberries are well known, in human and animal nutrition, to have multiple natural health benefits. Without a doubt, the cranberry is a very powerful fruit! Here are some of its many advantages:

- **URINARY TRACT HEALTH**

Can help reduce the risk of urinary tract infections

- **DENTAL HEALTH**

Prevents bacteria from forming in the mouth and can help reduce the risk of plaque and gum diseases

- **HEART HEALTH**

Can lower bad cholesterol and raise good cholesterol levels in the blood

- **ANTI-ULCER**

Can prevent the adhesion of ulcer causing bacteria in the stomach

- **ANTIOXIDANT CONTENT**

Prevents premature aging of cells, which can lead to certain illnesses

Dedicated to pet health and well-being, we simply keep going that extra mile to make sure cats and dogs eat nothing less than the very best that nature can provide!
